Additional Arrangements

Other arrangements will include parking restrictions on streets around the stadium and some temporary road closures – of course; residents will be able to park on their streets in most places.

Signs and parking cones will be in place to show:

- **when and where restrictions are in place and the streets and roads where parking will not be allowed**
- **streets where entry will not be allowed to anyone who does not live on that street.**

Enforcement Officers from the City Council, Community Police Officers and marshals from the club will be patrolling the area each day to ensure that people coming to the match do not park in streets they are not allowed to.

Parking Restrictions – No Stopping

Signs will be on lampposts a few days before the match showing dates and times.

No vehicles are allowed to stop/park on restricted roads when restrictions are in place.

Where will the restrictions be in place?

Sir Harry's Road	Priory Road
Pershore Road	Edgbaston Road
Moorcroft Road	Salisbury Road
Edwards Road	Russell Road

Please do not leave your vehicle parked on these roads during the restricted times.

YOU WILL GET A TICKET, AND YOUR VEHICLE MAY BE TOWED AWAY.

Temporary Road Closures are to prevent anyone who is not a resident from parking in the following streets.

1st Avenue	2nd Avenue	3rd Avenue	4th Avenue
St Johns Road	Odell Place	Dollery Drive	Wyatt Close
Foster Way	Hollies Croft	Willows Crescent	Harbury Road
Eastwood Road	Constance Road	Raglan Road	Oakfield Road
Beaconsfield Road	Strensham Road	The Russells	Pavenham Drive
Cheddar Road	Jakeman Road	Cannon Hill Road	Dolloway Close
Priory Lodge Estate access Road (both ends)			

Arrangements of these streets are as follows:

- There will be barriers with marshals across part of the entrance to these streets for the three hours at the start of each day
- The stewards are there to let people know that parking is for residents only
- Residents are still able to park in the roads affected by these road closures

Overall, we are confident that with these things in place, there will be minimal disruption to residents and businesses; the club will continue to invest in ensuring this is the situation for all future major matches.
